

Tonbridge Adult Education Centre has started enrolling for the 2011/12 courses. The Centre will be running a series of new courses on creative skills, health sport & leisure, self development, languages, and computing. You can pick up a course directory at the main libraries, the town's Tourist Information or at the Adult Education centre in Avebury Avenue. The Centre will also have an open day on Saturday 10th September 10:30-13:30 to answer any of your questions and to offer free demonstrations, information and displays of some of the new courses.
