

Real Ale

The annual Real Ale and live music event took place on Saturday, July 2 at the Cricket Meadow by the High Street car park.

The park became a hive of activity from opening time until around 10pm.

Residents enjoyed a really pleasant day in the park with the Cricket match between Snodland All Stars and the Working Men's Club. The Club had a fairly resounding victory scoring 171 runs to the All Stars 64. Regardless, great fun was had by all. In the evening there was a really enjoyable family event with music provided by ^Goosebumps" They were so popular that they have

been booked again for 2012 when the event will be on Saturday June 30. Many thanks to Paul Hickmott and the other organisers for making this event a real success and providing a family occasion without any charge. Any

funds raised from the collection and the bar will go to the Twinning Committee and Scouts.
